www.missioncareercollege.com

This 160-hour program will train you to provide quality care to residents in long-term care facilities and professional organizations requiring the staffing needs of a CNA. It consists of 60-hour theory and 100 hours of clinical practical training focused on all aspects of residential care on the Six Principals of Care.

Upon successfully completing the course of 100 supervised clinical hours and 60 theory /lab hours along with passing the Nurse Assistant course exam you will qualify to take the State Competency Test (CEP) to be a Certified Nurse Assistant (CNA).

The course is lead by Registered Nurses and Licensed Vocational Nurses as secondary instructors. The instructors are approved by the Bureau for Private Postsecondary and Vocational Education, accepted by the California Department of Public Health and certified by the American Red Cross, and meet the State requirements.

CNA 101-Long-Term Care 160 Hours

On completion of this course, the student meets California requirements to take the State Certification Exam for CNA's. Basic nursing theory and skills are taught in the classroom and laboratory setting, and students are supervised in giving care to residents in the long-term care facility (nursing home). The focus of this course is on the care of the elderly resident. Course content follows the California State approved CNA curriculum.

CNA 102 Home Health Aide 40 Hours

Prerequisite – CNA 101

This course prepares the CNA for certification as a home health aide by DPH. It allows the home health aide to function as an entry-level worker on a health care team in a home health agency. The course is structured to provide knowledge and skills to function as a home health aide.

CNA 103-AcuteCare**116 Hours**

Prerequisite – CNA 101

After completing CNA 101, the student may take CNA 103, which builds on the skills learned in long-term care. The focus is on the care of the patient in the acute care hospital setting. This course consists of theory and supervised clinical experience at hospital.

The Classes:

MCC's CNA Course is a four week Monday thru Friday program. On days Mon ,Tues & Friday ad student report to class for theory instruction at AM 7:00 AM to 3:30 PM. These days will consist of lectures in the classroom. On Wed, Thru, & Fri PM students report to clinicals at various times and sites. Students will be able to learn hands-on skills training.

CNA Certification:

A federal law (OBRA) enacted on April 1, 1987, requires all students completing an accredited nursing program to be tested in theory and clinical skills. As mentioned above, after taking CNA 101 the student qualifies to take the CNA State Exam.

The student has 3 opportunities to pass the exam, which consists of a multiple choice and a skills performance component. After successfully passing both parts, the student is certified as a CNA for 2 years. To remain active, this certification must be renewed every 2 years. Successful completion of 48 units of continuing education and at least 8 hours of paid employment must be completed for certification renewal. If the certificate is not renewed, the student must take the class and State Exam again in order to be able to work as a CNA. The student is responsible for following up with certificate renewal, and knowing his/her renewal date. Renewal dates will be indicated on the CNA certificate.

Dress Code:

Students must wear medical scrubs and white shoes. Hair should be pulled back neatly and acrylic nails are not allowed.

Grading:

During the course, students must maintain an average grade of 70.

Attendance:

Students are expected to attend daily, all day and on time. There is not an opportunity to make-up missed classes.

APPLICANTS:

Must be in good health. Applicants are required to have passed a health examination. If, at any time (either before or after acceptance into the program), a student's physical or emotional health is such that it is a potential threat to the well being of patients, the applicant will be denied admission to, or subsequently withdrawn from the Program.

AFTER ACCEPTANCE AND BEFORE THE

CNA/HHA PORGRAM students are required to submit:

- A MCC application in the admission office the semester prior to beginning classes.
- Completer a Physical Exam with up-to-date immunizations.
- A CPR certification card for the health care provider or professional rescuer.
- A copy of your Social Security card.
- A complete Live Scan form.
- Option to purchase personal liability/health insurance (MCC does not provide insurance coverage).

CERTIFICATION INFORMATION

Nurse Assistants and Home Health Aides will NOT be certified by the State of California if convicted of certain Penal Code Violations. Additional information will be given at the scheduled information meetings.

LIVE SCAN FINGERPRINTING & SUBMISSION REQUIREMENTS

All initial and renewing CNA/HHA certification applicants who have not been cleared through Aide and Technician Certification Section (ATCS) and employees of Intermediate Care Facilities (ICF) for Developmentally Disabled (DD), Developmental Disabled-Habilitative (DDH), and Developmental Disabled-Nursing (DDN), must submit their fingerprints for clearance using the live scan method.
